

## Quicken FAQ's

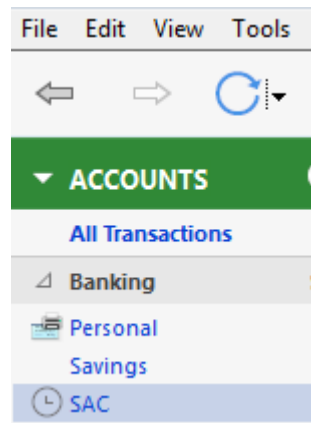

### SYNCING TO SAC ACCOUNT

Recommend backing up QUICKEN prior to setting up automatic updates.

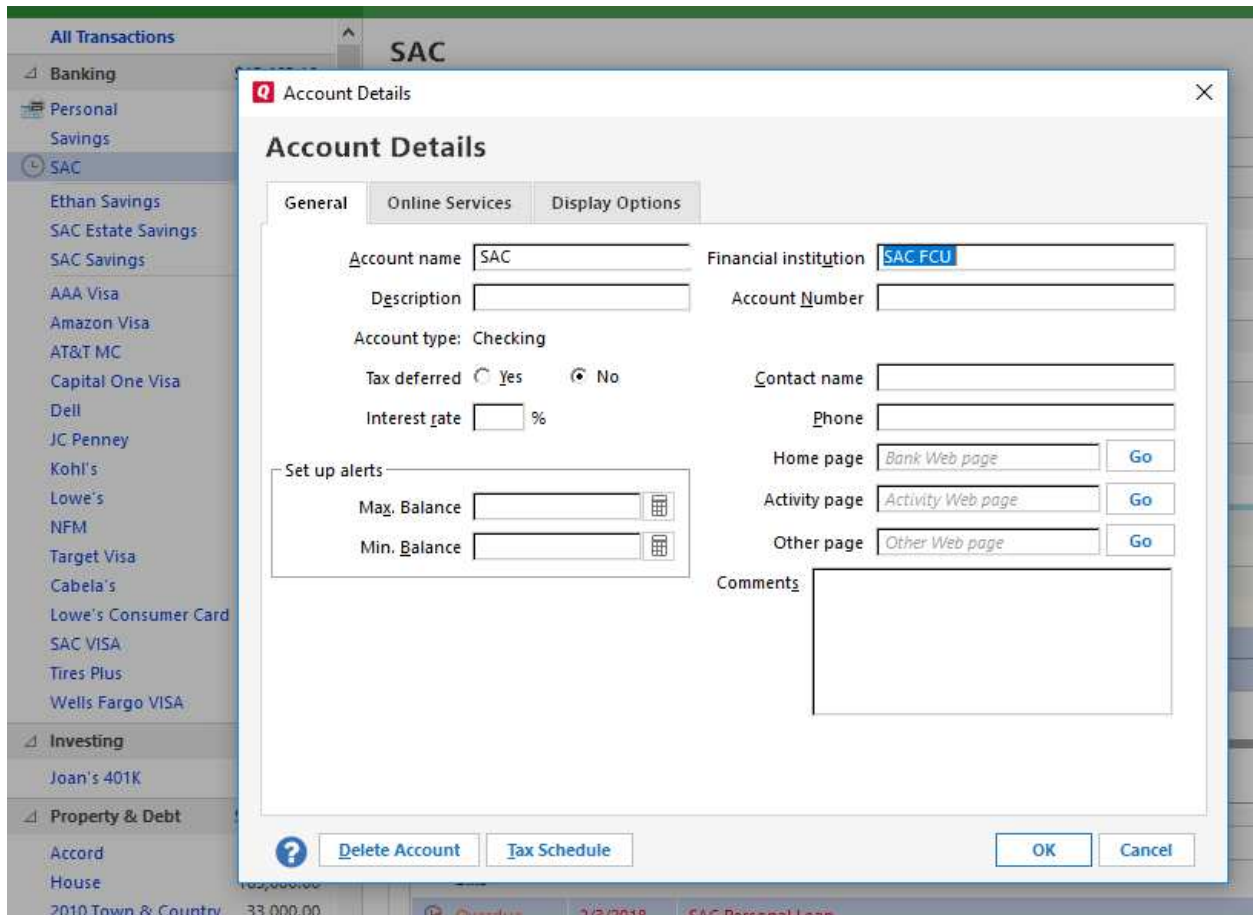

Member must have online access set up at SAC prior to setting up automatic updates through Quicken. Quicken will sync 90 days of transactions. If the member has additional transaction history, it WILL NOT be available after sync/update.

Setting up update in Quicken:

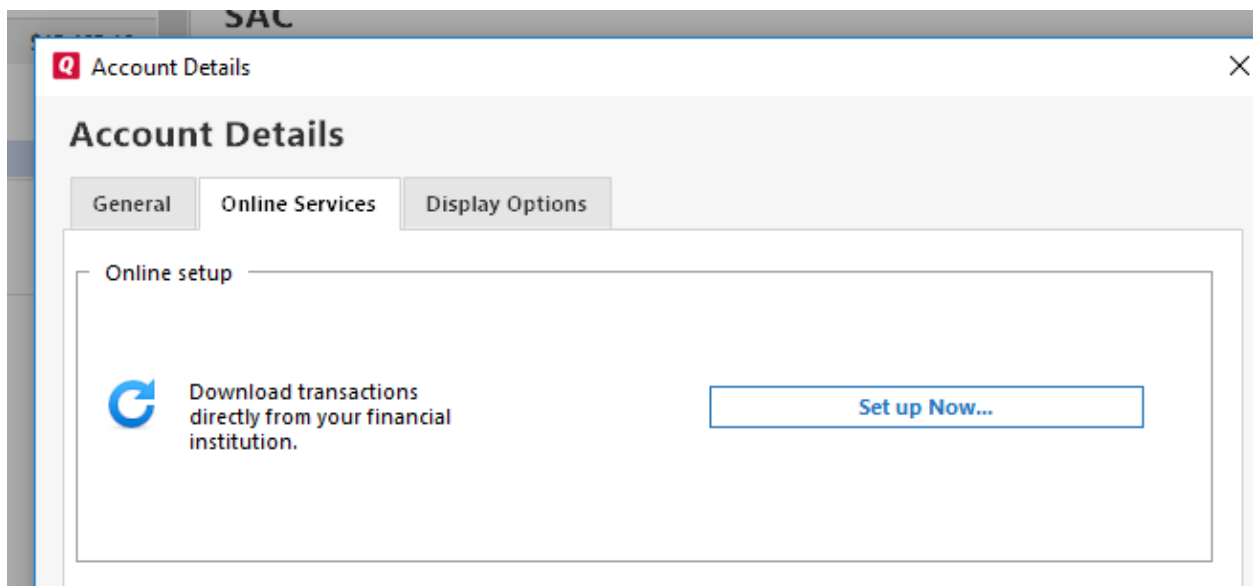

Tools Menu → Account List

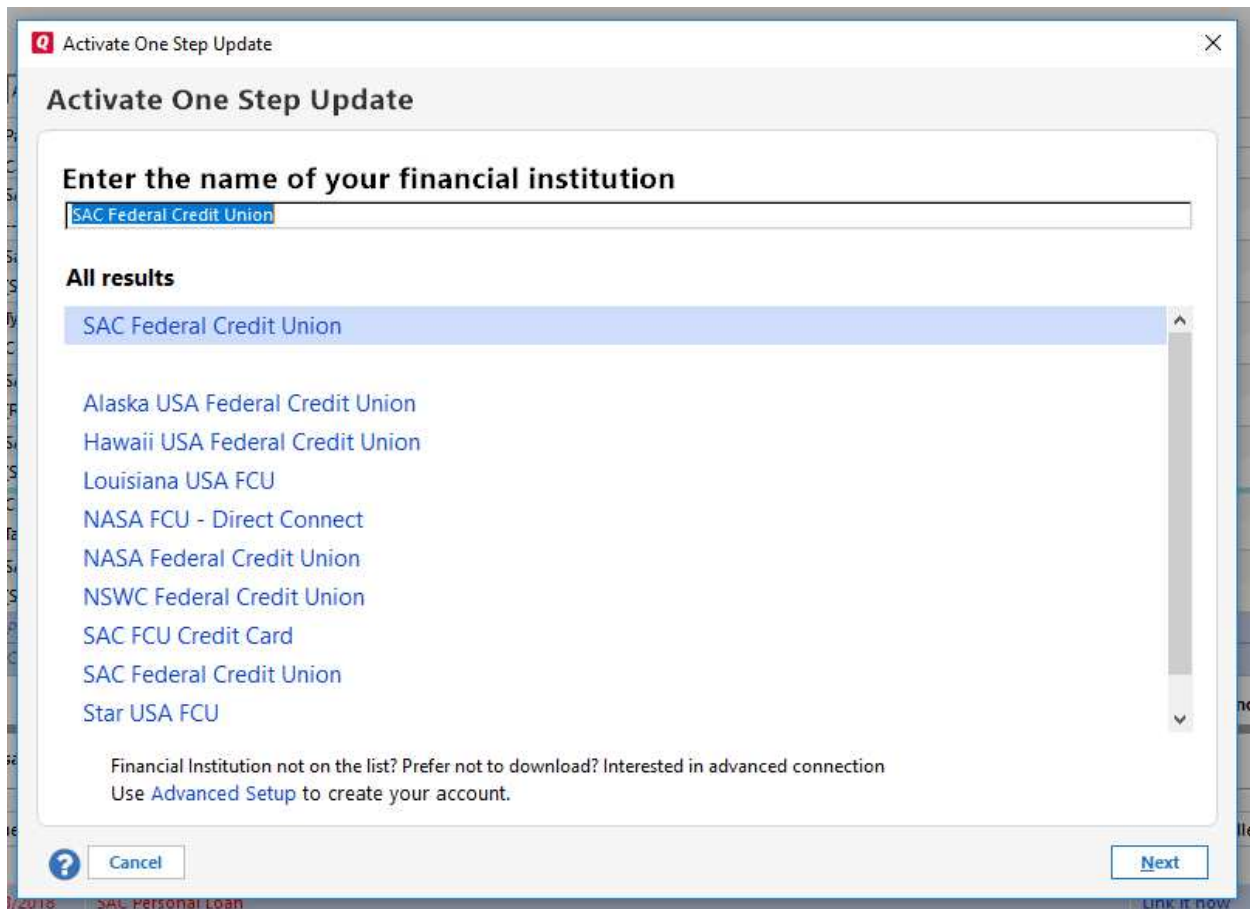

Right Click on account to be added

Go to Online Services tab – click on “Set Up Now”

Enter SAC FCU, click next

Enter SAC online user ID/password and connect. Quicken will then download the last 90 days of transactions into member Quicken program
